

## COMMERCIAL LICENSE

**You want to use our sewing patterns for commercial purposes?**  
(You are creating your brand, or you want to add a new product in your range)

You will find below our detailed grid prices by type of product.

We propose to establish a commercial contract with you, for a renewable period of 12 months. It includes all the existing pattern sizes, and does not limit the amount of items produced.

For any further information, contact us!
